

St. John's Church Cookbooks gradually becoming available...

Minimum donation requested - \$6.50

The church cookbook is now complete and copies are lovingly and painstakingly being put together by hand! Some are available this week - more will be available over the next few weeks.

The cookbooks are costing about \$6.50 each to print and bind.

We request that you donate \$6.50, \$10, or more for the books. All proceeds beyond cost go to youth programming.

If you want more than one copy, please make a donation for extra copies.
