

# Vacation Bible School 2009

## *ROME: Paul and the Underground Church*

Roman soldiers and citizens wrapped in togas, hoards of laughing children, and even the Apostle Paul filled Saint John's this week in a wonderful Vacation Bible School with Tidal Creek Fellowship and Waters Edge United Methodist Church! Between 120 and 140 people attended each night, including more than eighty children. Kids of all ages from the three congregations and the community learned about the Love of God - and that is what VBS is all about!

The adult class experienced a powerful time of sharing faith stories and building relationships. Look for more St. John's, Tidal Creek, and Waters Edge activities to come - before next summers VBS!

Thanks to all the adults from all three faith families who helped make this week possible.

Leaders (from left): Julie from St. John's; T.D. from Tidal Creek Fellowship; Waynette from Waters Edge
