GRACE PROVIDENTESS RD

A special thanks to the Rev. Joyce Gulliford (former vicar at St. John's) who agreed to come and lead our VBS this year!

Vacation Bible School 2011 - Awesome!

Wow! Who knew that a month could fly by so quickly? The month of June has come and gone, VBS has come and gone, and I have come and gone.

VBS was a great success due to the wonderful cooperation between Tidal Creek, Water's Edge and St. John's. A special thank you goes to Rev. David Holland who put together an adult Bible study on Philippians and to Waters Edge who loaned us their stage curtains and big screen.

Inside Out and Upside Down on Main Street used fun games, stories, skits and music to show us how our understanding of truth and justice are so different from Jesus and his teachings. Many thanks to all the volunteers who helped make this program a success. Each one of you helped others experience the reality of Jesus and his love for the world.

In Christ's Love, Joyce Gulliford
