

St. John's Lutheran Church Youth Fundraiser

St. John's John Patrol Report

In July 2012, eleven St. John's high school students traveled to join 35,000 other ELCA youth for the National Youth Gathering in New Orleans.

One of the fundraisers to help make this trip possible was the St. John's John Patrol. This consisted of a beautiful / terrible purple traveling toilet – St. John's John, which made appearances in our community.

When "John" was placed in a victim's yard, the victim was asked to make a \$25 donation in order to have "John" removed. The victim also got to choose the next victim.

Sealed donations were received, with the highest bidder having the privilege of choosing the first "victim".

If you did not want "John" in your yard, you had the opportunity to buy insurance for \$40.00.

The St. John's John Patrol was busy!

We would like to announce the official St. John's John Patrol First Family is Larry and Mari-Ann Taylor! This honor is thanks to Denise and Rudy Bishop, who made the largest initial donation to the effort and won the chance to choose the first victim. In a surprising turn of events, Rudy and Denise, as well as Gordon and Ann Haigler, were present at the Taylor home when the purple potty was delivered!

Since then, the toilet did not grow any moss and continued to be on the move on to other members. Even had a decorated plunger added to it. If you did not want it to come to you, you had to buy insurance - otherwise, look out!
